Dear Sturgis Student and Parent,

Welcome to the Sturgis Athletics Department, Home of the Sturgis East Storm and the Sturgis West Navigators. We hope our athletic information gets you off to a good start in what promises to be a dynamic and exciting year of sport at Sturgis. We encourage you to read through the pages so you can become more familiar with the program, policies and structures. Feel free to contact either of us with any questions you might have. We look forward to working with all of you and thank you in advance for your commitment to our program.

Each year we measure the success of our programs against various benchmarks; success comes in many forms. The role of a quality athletic program goes far beyond the final result of a game or the position of an athlete in a race. Our philosophy page will give you an insight into what Sturgis Athletics endeavors to deliver. Our success is based on a partnership between coaches, student-athletes, teachers and parents.

Enjoy your year of athletics.
