## School Profile 2018 – 2019

### International Baccalaureate (IB) for All.

Founded in 1998, Sturgis Charter Public School adheres to an “IB for All” philosophy, providing students with access to the International Baccalaureate (IB) Programme — a global-minded, rigorous, and comprehensive curriculum. Our commitment to equal access makes Sturgis quite unusual as students are not preselected for admission into IB classes. In fact, all eleventh and twelfth grade students take all of their coursework in the IB Programme. We are a full inclusion school, with a strong student support system that adapts to meet students’ needs. This approach offers students the access and tools necessary to succeed in one of the world’s most challenging college preparatory programs. Sturgis maintains that holding high standards and high expectations of all students leads not only to high achievement, but also to college readiness and the development of more inquiring and caring minds. Because of Sturgis Charter Public School’s unique support system for students, high standards, collaborative student culture of peer support, and strict graduation requirements, course failure in upperclassman courses is uncommon. Sturgis’ membership in the International Baccalaureate Organization (IBO) is fundamental to its charter. IBO is a worldwide consortium of schools that holds its member schools and students to high standards for academic excellence, creativity, and service within the classroom and beyond.

Sturgis is nationally recognized for its student success. In 2016, The Washington Post recognized Sturgis as the #2 public school in Massachusetts and #135 in the United States. This marks the 10th straight year that Sturgis has been ranked one of the top schools in the U.S. by The Washington Post. In addition, the 2016 U.S. News and World Report rankings recognized Sturgis as #1 in Massachusetts and #33 in the United States .

<b>Number Attempting IB Diploma</b>	68	54	58
<b>Number Earning IB Diploma</b>	45	36	35

### Grading System

- Grade 9 & 10 classes are designed as preparation for grade 11 IB curriculum. As a result, our 9/10 courses represent what traditional high schools consider honors level.
- Grade point average is unweighted
- All science courses are recognized as laboratory sciences.

*Please note: Due to the uniqueness of the “IB for all”, Sturgis does not incorporate courses completed at prior schools into our transcript or the calculation of a student’s career GPA.*
