Thomas S. Cahir, *ADMINISTRATOR*

The CCRTA is pleased to offer a student pass to students attending schools in Barnstable County.

During the past year, the CCRTA converted to an electronic fare system. In order to offer student riders the same discount with the old punched-ticket system, we have created a Charlie Card Student Pass. It allows a student to board for \$1.50, which is 25% off the regular boarding rate. It debits from the balance total with each bus ride. This feature allows the student to use the card more casually than the magnetic stripe tickets.

The general rules are:

- The person must be able to verify his or her status as an active student at the CCRTA's Hyannis Transportation Center at 215 Iyannough Road
- In order for the specially encoded Charlie Card to be activated, stored value must be added at our sales terminal on the second floor at the Hyannis Transportation Center at
- Afterward stored value can be added:
  - With cash as you board the bus
  - At one of the Sales Terminals at the HTC
  - Online through the [capecodrta.org](http://capecodrta.org) (CCRTA website on the MBTA link - must allow three days for value to appear on card)
- Each student must have his or her own Charlie Card
- There is a limit of \$100 that can be stored on the Charlie Card
- The pass expires on June 30<sup>th</sup> each year; the card may be re-activated for the next academic year.
- Remaining unused value as of June 30<sup>th</sup> is forfeited – it is important to reduce the value as the end of the school year approaches
- The Charlie Card is interoperable with MBTA; however, the student discount is valid only on the CCRTA
- Defacing or punching holes in the Charlie Card will render it unusable
- A \$5 fee will be assessed for replacing lost cards
